

Base model shown with added options

### Save Time and Get More Done

The low-profile Spartan Service truck body is designed for all-around convenience. With secure storage compartments, shelving, and a large, bright workspace, organizing and accessing cargo is easy. There is also plenty of headroom for working inside. This workshop-on-the-road is ready to expedite one job and move on to the next.

### Features

- Up to five spacious compartments per side to store and organize your way
- Low-profile design for easy cargo access
- Bright work space with white 3/8" FiberPanel® (FRP) sidewall panels
- Stand-up height interior (72" and 78" heights only)
- Solutions available for traditional, alternative fuel and electrified chassis

# Specifications: Spartan Service
